To all of our precious supporters,

Thank you from the bottom of my heart, for what you have done to make this mission all it is today. My heart has become overwhelmed during the recent Christmas season. When I reflect on the great people of God, who have been so faithful to support this work in prayer and with their finances, I must rejoice and praise the Savior for you! Local congregations, as well as individuals have put their confidence in us at AHM, and that is very humbling. We know that there are any great number of ministries that you could support, but you have chose us. Thank you!

It is my desire as founder of this work and chairman of our board of directors, to be a faithful steward of the support you send. I want you to know that 100% of the money you send goes directly into getting the message of Christ into Africa. It is because of the great trust you have put in us and the burden that God has placed in our heart for the people of Africa, that we will continue to work vigorously to take the gospel to the unreached villages of Cameroon and Ghana. It is also our great desire to enter even more countries on the African continent, to lift up a standard against the Prince of Darkness and shine the powerful light of Christ.

Jesus quoting Isaiah the prophet reminds us in Matt. 4:16, The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up! With this promise in our heart, we want to help fulfill this prophecy as well as the command given in Acts 26:18, To open their eyes and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me!

Once again, thank you for standing with us at AHM. Please continue to lift us up in your prayers.

Your fellow laborer in Christ,
Bro. Curtis Teague
